

Which ASA Membership Category is right for you?

Whether you are a renewing your ASA membership, or about to become a member, it is important to ensure that your membership type matches the activities you participate in. We have therefore produced the following table to help you check you have the right membership for the activities you participate in and the benefits you require.

If you are a current ASA member and are unsure of your current membership category you can check this by logging into the Online Membership System at www.swimmingmember.org.

For advice on ASA Membership please call the Membership Team on **01509 640727**.
